Chains-of-Deception...

Newsletter #69 : by Miki Ritter

(Well Lord, what do you want to tell us today? It has been a very peculiar beginning to our New Year!

Welcome, 2022! So many people have come down with Covid in its many forms.

Omicron. That's what my cousin called it! I am not happy with this latest outreach. It has done a lot of upset with everyone in the family. Dozens of our people are down with it! We all got hit in one way or another.)

"Child, do not fear this virus. It will slow you down for a time, but I am there to bring you front and center, once again.

Why do you think this is happening to your family?"

(That's easy Lord. Look at all the nonsense. I sat here over the weekend, just watching. Thank you for Gregory. He seems to be doing fine.)

(What do you want me writing about? So much has happened. It's only two months old and already, there have been so many incidents of emotional and physical needs.)

"Child. Do not fear what is happening to your country. Know that everything is in My hands. I know the outcome. You are to trust Me as I bring in teachings from the greatest depths of Heaven. You will all learn how the Father looks at things. He wants you understanding that He only values the truth. All else, falls by the way-side. He wants all of you listening to The Holy Spirit within you. Listen to the Power that is available and do not be afraid to pray for your family, your friends, your neighbors, your co-workers and all those who touch your life. They are your people. These you carry in My Name.

Do not be afraid. Trust Me to know what lies ahead. And yes, there will be great sorrow as you see many falling into traps of despair. Many suicides will occur. No one will understand. These times will become more and more prevalent as the days become longer. You will see.

Do not be afraid. Trust Me to bring you into my Father's Trust so that you too, will understand what is coming."

A letter of Love to My People:

August 21, 1978

(Jesus, I lift all in my heart. So many grieving people who don't know you, only think they know a better way.

Help me center in on a need you have to do as you wish for your children. Jesus, so much in my Spirit.)

“Child, grieve not for those who are not mine but rejoice for those who are bound for My Kingdom.”

“Know that I know your heart. Many I call will walk away, but those who are mine will respond in time to My Voice for these truly hear the Shepherd’s Call.”

“I love you my children and call you into oneness with Me. Continue to love, to point out the need for others to love AS I HAVE LOVED YOU –

“Without strings or conditions!”

“Do not limit or direct the way you will love – do not decide for Me how I will love, but let My love through Scripture, teach you the way I love and live that love accordingly.”

“All is available that my lambs need to know – teach them of me and my Way and I will bless all involved.”

“Child, know I will continue to bless and direct your strong heart. I will nurture and bring you forth out of the bowels of defeat as I have promised you. You are my servant, and a good servant does the bidding of the Master without question.”

“My Child. Much you have gone through was unnecessary, but My Church is scrupulous in some areas and lax where she should use caution. I love her. I love you but I will do with you as I will. I must heal and prepare my people that they are made aware. Much anguish ahead through the ignorance of my mother, the Church. I am heart-sick, weary of the stress of such ignorance.

“I will correct and prepare.

“You prepare My Path, that My Coming be set forth in Splendor.

“Teach my Children My Will of Surrender to all that I have in store, for in Surrender there is Fullness in the Spirit.”

“You are a willing vessel Child. I will pour forth My Wisdom that all who touch you also increase in Wisdom.”

“Share of My Gift in abundance to you - that My Children are prepared to face My Will for them.

“Much ahead and they must see My Plans, or many will perish that My Church will be held accountable for. Though I love her – I will chastise her severely.”

“Teach my little one; teach in the fullness of My Eternal Spirit. Fear not what I place on your heart. I will remain with you and not abandon you for you are My vessel and I will continue to reign in you for all time. Love and Peace are yours my daughter. Rest secure in Me for I am in you.”

“Many things must happen before all this occurs.”

You will know... I will pass it on to all your readers.”

“Child, how can I tell them how much I love them? Their ears are blocked with sin and confusion.”

“It means little to man to see when he is so blinded by lust and avarice. He wants... therefore he desires and then, he takes. This land, Oh Child, the beauty it once had! So much is gone. So much destroyed by the greed of those in charge of the money in this land.”

“I must move. The time is upon Me and I must move quickly. *(Jesus)* Continue to keep Me the center of all you do. Fight the enemy as he rears his head. Offer this same advice to those struggling with the issues of the day. Know, much will happen before the day of infamy.”

“Much has to occur. Know I love you all. But my Father has warned all of you what was to come. You have turned a deaf ear to much of what He has shared. Trust Me, Mary Anne. I have your back! I will continue to have your back!

“You found a letter I wrote to you very long ago. Pull it out and add it to this newsletter.”

(Oh Jesus...)

“It will give clear warning of what is to happen. It is not very far off.”

“When this occurs, you will know it is the beginning of all that will follow. The difficulties of the day and all it encompasses.”

Be aware. Pay attention! Nothing will be missed!”

September 13, 1978

“Peace Child as I teach you the will of the Father for your life is mine and will remain so for all eternity. There is much my church has not done and it greatly displeases Me. There is much hurt that is done in the name of Christian Justice. Know that I am displeased with the afflictions of My Church.”

“Child, continue. Peace. I know the questions on your heart. Know that I too am most displeased with My people. Hard-hearted, all of them. They do not see my plan but insist on theirs.”

“Know that the hour of my arrival is close at hand. Know that the time of emergence of the Anti-Christ is about to begin. Peace will be a scarce commodity when my people realize what they have done in the name of Christian Love.

● Only a portion of my message has been delivered to my people. Once before, I told you my child, that my children were being told half-truths.” ● *(Luke 11:52)*

“Peace. My Peace is upon you. Know that I will begin to convict and detect the weak-spots and start to root them out.”

“My elders cannot play God much longer. It is about to begin.”

“Know that I will have my way upon this earth. Prepare yea the way of the Lord, Yahweh. Know that I must instruct my children that they are aware of the need to heal those areas that are still under the dominion of the evil one. Time is of the utmost importance. Stress the time to heal is NOW!”

“O my people, why do you grieve Me so? How can I bring you to Me in the state of sin that now exists in this world? How can I fulfill My promise to you when you so stubbornly refuse to submit to my Divine Will? What shall I do with you, my people when you continue in the sin that I in my Wisdom have set you free from? Yet, persist you do up to the point of idolatry.”

“Harlots, my children, Lust after the Flesh; you my children, Lust for Power. I will cleanse My remnant and purify those whose hearts are right with Me. Those of you who persist in your folly will be left by the wayside. I am most displeased with the ache in the hearts of my saints who have shared My Will with you and you in your Pride, silenced. Each of you will be held accountable. Some I will heal; some will be cast

aside.”

(Luke 11:49-51) (Luke 12:1-58)

“The Choice is your unforgiving hearts which you judge as Justice for the wrongdoer. You hypocrites! Dung would have a higher place before my throne.”

“You will answer for each and every pain you deliberately procured. Each and every sin you contrived in your heart and left unforgiven. I will deal with these most severely. Yet, above all this, I still love you; disobedient, indolent, stubborn, foolish children. I will chastise you until you understand My purification and then, only then, will you understand my command “to love one another.””

“This is indeed the greatest Commandment and it has been neglected by My world. My people, be aware the time is upon you. Are your lamps lit? Is there sufficient oil to withstand the test of time? What shall I do with those of you who profess to be mine yet crush the weak and ignorant?”

“Read my scriptures My children; the time of your persecution is upon you. Never again will you know the Peace of the past, for the Peace has gone from view. Yahweh has spoken and it will come to pass.”

(Jesus, let your Mercy and Grace fill us as we begin to understand what you are about to do!)
